

MUNICIPAL MILLAGE TAX RATES IN SOUTHERN CHESTER COUNTY

The following table showing the 20 southern Chester County Millage rates appeared in the July 7, 2010 issue of the Chester County Press accompanying an article by Steve Hoffman, Staff Writer. The chart was compiled using figures from the Chester County Department of Assessment Web site and the recently adopted 2010-2011 budgets from the Avon Grove, Kennett, Oxford and Unionville school districts.

The table shows that Kennett Township has the lowest total Millage rate of the 20 reported municipalities. Kennett Township has an earned income tax rate of .5%, the same as New Garden Township and the Kennett Borough. East Marlboro has an earned income rate of 1%. Kennett Township has the lowest overall municipal tax rate in Southern Chester County. The last Millage increase by the Kennett Township Board of Supervisors was in 1985. The Townships have no control over the county or school taxes. They are enacted by their respective Boards.
