

Kennett Township Volunteer Form

Volunteering in Kennett Township

Kennett Township has a number of committees that are staffed by volunteers. At various times there is a need to find new members for these positions. In order to facilitate this, the Township maintains a human resources file of people who would be willing to serve on committees. If you are interested, please fill out the following. You can mail or deliver the completed form to:

Township Manager
Kennett Township
801 Burrows Run Road
Chadds Ford, PA 19317

Thank you.

| Environmental Advisory Council | Safety Committee |
| Historical Commission | Trails & Sidewalk Committee |
| Kennett Area Park Authority | Zoning Hearing Board |

My present occupation is: _____

Special qualifications that may be of help to the Township:

Kennett Township Volunteer Form

KENNETT TOWNSHIP VOLUNTEER OPPORTUNITIES

AGRICULTURAL AREA ADVISORY COMMITTEE: This three (3) member committee meets as needed to review applications from land owners for Agricultural Security District status. Agricultural Security Districts are designated to protect agricultural areas from non-farming uses, which may make normal farming operations difficult.

BUSINESS ADVISORY COMMITTEE: To provide effective business and financial know-how and advice to the Township Manager and the Board of Supervisors on an as needed basis with the intent to create and sustain excellence in financial governance, reporting and decision-making.

COMMUNICATIONS COMMITTEE: The purpose of this Committee is to develop and manage various communication channels for the Township use.

COMMUNITY PRIDE: It is the goal of this Committee to keep our Township roads as free of litter as possible. It solicits the help of Township residents and organizations to “adopt a roadway” within the Township in order to accomplish this goal.

DEER MANAGEMENT COMMITTEE: Coordinates qualified hunters with landowners who allow hunters on their properties.

ENVIRONMENTAL ADVISORY COUNCIL: The primary purpose of this Council is to help local government and residents focus on preserving and guiding the use of our Township’s natural and cultural resources as we grow. This means protecting every natural, cultural, and visible resource we can, while accepting responsible cost-effective development.

HISTORICAL COMMISSION: This Commission acts as an advisor to the Board of Supervisors and other Township agencies. The Commission is concerned with identifying and preserving historical sites within the Township and promoting an awareness of the history of the Township.

KENNETT AREA PARK AUTHORITY: The Park Authority administers the Anson B. Nixon Park. The Park consists of 83 acres and is located in both Kennett Township and the Borough of Kennett Square.

LAND CONSERVANCY ADVISORY COMMITTEE: a committee that will evaluate any proposed easements and/or land purchases presented to the Board of Supervisors. Their evaluation will be based on the open space resource plan criteria.

LIBRARY BOARD: Two (2) members represent Kennett Township on the Bayard Taylor Memorial Library Board.
Current representatives:

PARK & RECREATION BOARD: This Board operates a joint Borough of Kennett Square and Kennett Township recreation area in the Borough of Kennett Square.

PLANNING COMMISSION: The Planning Commission is made up of nine (9) volunteers and meets the first Tuesday of each month. The PC acts as an advisor to the Board of Supervisors on matters of community growth and development. In this role it reviews all subdivision and land development plans for consistency with the comprehensive plan and compliance with the Township ordinances.

RECYCLING COMMITTEE: This Committee works to encourage recycling of materials within the Township by both residents and businesses. Members also assist at the Township Recycle Center on Saturday mornings throughout the year.

SAFETY COMMITTEE: The Safety Committee is appointed to consider matters dealing with safety, health and environmental issues. They evaluate traffic and roadway safety, including traffic signs and speed limits. Township facilities are inspected for operational safety. The Committee assists in emergency management operations and in resolving environmental issues, such as air and water quality, noise, radiation, and hazardous materials.

TRAILS & SIDEWALK COMMITTEE: Our mission is to connect the residence of Kennett Township to our natural beauty and to each other through sidewalks and trails that promote health, safety and a sense of community.

ZONING HEARING BOARD: The primary purpose of the Board is to help assure fair, equitable application and administration of the Zoning Ordinance. The three (3) member board considers applications for special exceptions and non-conforming uses as well as requests for variances and appeals from determinations made by the Township’s Zoning Officer. The Board meets on an as-needed basis.
