

Department Head Report

Prepared By: PJ Groff, Interim Public Works Director

Date Prepared: June 10, 2022

Date Presented: June 15, 2022

1. The second round of road bank mowing is underway for all Township roads.
2. Traffic light issues:
 - a. Rt 1 and Rt 52 South – The timing issue has been fixed.
 - b. Rt 1 and Kendal Dr. – We have received complaints about the signal not cycling correctly. Adjustments were made to the detection system and it is back working correctly.
3. We are pleased to announce that PennDOT is paving Burnt Mill Rd. A completion date has not been set yet due to some bad weather in the beginning of the project.
4. Our Crew along with a tree company took two trees down. One was on Sills Mill Rd, the other was on Woodward Rd. They were both damaged in a windstorm and were a safety concern.
5. The annual tune up to A/C units at the township building was recently completed. We found some minor issues, but they were all fixed.
6. The small dog park at Barkingfield Park was re-opened on Friday, June 10th.
7. Our Crew cleaned and power washed all Pump stations. We will also be doing our quarterly pump out of the wet wells in the next coming weeks.
